

Four

decades of solid,
dependable, reputable
service

Since a very young King Davis founded his real estate agency in 1956 . . . he has made the transition from idealistic youth, operating on little more than lots of energy and enthusiasm, to highly respected businessman—who discovered that the secrets to success are honesty, old-fashioned roll-up-the-sleeves hard work, and excellent, beyond-the-call-of-duty good service.

“A pillar in the community”

With the assistance of an equally young and enthusiastic Roger Chadwick, the fledgling business grew and prospered. In 1972, Francis Cleary, G.R.I. and graduate of Babson College joined the agency and has become a member of the management team.

Over the years, other real estate agencies have come and gone, but The King Davis Agency Partners has remained an integral, viable and highly visible community pillar.

Our residential and commercial offices consistently maintain the largest market share of all the real estate agencies in our market area.

King Davis Agency makes a practice out of doing more than they have to do in any transaction—for all of our clients and customers.

“A reliable authority”

With the addition of a Commercial Real Estate Division, the agency has long been recognized as a reliable authority on all aspects of the real estate business in Greater Haverhill, the North Shore and Southern New Hampshire.

Kingsbury (King) Davis

Chairman, Board of Managers

The Secret to our Success?... Our People

King Davis founded the Agency 40+ years ago, and built a far-reaching network of offices staffed by the area's top Realtors. He's a man who, in his words, is "far more pleased when referred to as a man of principle and integrity," rather than as a "success."

King attended Boston University's Real Estate Division courses, and is a member of business/professional organizations too numerous to mention. He's received awards for both civic service and real estate sales. King and his staff believe it's important to "give something back" to communities where they've done business for so many years. They are active in, and contribute to, organizations that include United Fund, Emmaus House, Boy Scouts, Housing for the Elderly, Greater Haverhill Chamber of Commerce, Plaistow area PACE, church/synagogue groups, and many more.

To reach King, please call our Haverhill, MA Office at 978-373-3897.

Worthy Of Your Trust

Community Minded

The King Davis Partners management and staff care about maintaining what is good about this area, and are committed to taking an active part in community endeavors and community improvement programs.

Our sales associates live in the communities they serve, are raising or have raised their children here, and donate both time and money to civic, religious and charitable institutions of their own choice.

In addition, they participate in community efforts organized by The King Davis Agency to benefit area communities. Over the years, a good deal of these efforts has focused on our area schools, libraries, and on many other worthwhile endeavors of value to the entire community.

Some area real estate agencies gather their forces and lend support to one or two area organizations. The King Davis Agency, however, believes in supporting as many community programs and events as possible, both through cash donations and through many volunteer hours.

“The King Davis Agency Partners continues its ongoing support of a large number of local, state and national charitable organizations.”
